## SPECIAL ELECTION

Amendments to the Town and Village Act were introduced in the legislature last Monday. (Enclosed in this issue are full text of these amendments which will give you an idea of the important changes. The amendments to Sections 62, 64 and 127 have directly to do with the present situation in our town. If these amendments receive the third reading in the legislature (1st reading was passed on Monday) then the next meeting of our council on Monday, will be important because the new amendments allow each town to elect a mayor as it is now allowed to elect a councillor when a vacancy occurs. It's quite

possible that Council will set a date this Monday for a special election to fill all seats on Council - mayor, 3 councillors, 2 trustees, besides the money by-laws.

This special election won't be held until the middle of June, because the voters' lists will first have to be prepared, in accordance with the new amendments in Section 62 (6b). This will take at least a month, causing the special election to be held in June.

The present mayor, John DeBruin and Councillor Edgar will remain in office until the new mayor and councillors are elected in this special election. At least we can be happy that our town will soon have a complete council which is absolutely necessary to guarantee smooth operation of our town. Our local MHA Keith Everitt, is to be thanked for the way in which he has pushed these amendments through, backed by our council, which was not happy with the present state of emergency, and want to work as a full council with committees. We urge our citizens to attend next council meeting (this Monday) so that your opinion will be based on first hand knowledge.

vacancy occurs. In other words, a new special election must be held at St. Albert to fill all seats - mayor - councillors and trustees.

I must stress the amendments to the Town and Village Act have only received 1st Reading today (Monday, April 5). There may be some amendments made as they go through the Committee.

### St. Albert Trail

It gives me a great deal of pleasure to report progress on the St. Albert Trail. The department has now completed an agreement with the City of Edmonton, which includes the following items:

1. That, the City will construct a road way comprised of four travel lanes and

two auxiliary lanes together with curbs and medians along the portion of St. Albert Trail from 125 Avenue to 157 Avenue.

2. That, the City will construct a subway under the C.N. R. railway.

3. That, the City will construct a storm sewer system from the said subway to 125 Avenue and 129 Street.

4. That, the Government of Alberta, through the Department of Highways, will reimburse and pay to the City 50% of monies expended on the above items to the maximum total amount for the projects in each of the years 1965 and 1966, as follows:

1965 - \$ 535,000.00  
1966 - 58,495.00

## Lucky Alex Forbes!

### ST. ALBERT RESIDENT WINS CONTEST

Have you ever wondered if anyone actually wins the contests you see advertised in the papers and magazines? Well, wonder no more, because one of your fellow citizens, Mr. Alex Forbes, Sheridan Dr. is proof. Mr. Forbes entered the Easy All-Out Quality Celebration jingle contest this winter. Recently he received a letter saying that his entry had been judged a winner "based on skill, appropriateness, clarity, sincerity and neatness" and that he would be receiving a 1965 Ford Mustang car. This car will be delivered to him personally by an N.H.L. player after the Stanley Cup Final, sometime in May.

als, sometime in May.

Congratulations, Mr. Forbes for winning the car. We can well imagine your excitement at winning the car, and the excitement of your sons at the prospect of meeting a real N.H.L. star!

## SPRING CONCERT

## Acting Prov. Liberal Leader

**MACCAGNO APPOINTED ACTING LIBERAL LEADER**  
Mike Maccagno has been appointed acting leader of the Liberal Party of Alberta. At a meeting of the Executive of the Liberal Association in Edmonton in Edmonton it was unanimously decided to invite Mr. Maccagno to take the position, and he accepted the invitation.

The Liberal Association Executive meeting, attended by 17 persons, passed a motion "that Mike Maccagno, House Leader of the Liberal Party, and Leader of Her Majesty's Loyal Opposition, be invited to assume the responsibilities of leadership of the Liberal Party of Alberta until a Leadership Convention is held in January, 1966."

The Liberal Association Executive had already decided to hold its annual convention in Calgary on January 14th, 15th and 16th, 1966. This will now become the Leadership Convention.

David McDonald, President of the Association, announced that the Party would be actively looking for a permanent lead-

er to lead the Party to victory in the next provincial election, but that the Executive would not take any sides in the choice of leader.

Mr. Maccagno was born in Piosso, Italy, in 1914 and came to Canada in 1920. He first settled in Calgary and then moved to Lac La Biche in 1927. He served on the Lac La Biche School Board for 21 years, and was Mayor of the town for 4 years. In 1955 he was first elected M.L.A. and was re-elected in 1949 and 1963. In 1963 he was appointed Leader of the Opposition. He was married in 1935 to Valentine Lebas, and has eight children. "Mr. Maccagno has served the people of Alberta with vigor and doggedness in the Legislature, and his new position in the Liberal Party will be a source of strength to us," Mr. McDonald said.

The previous provincial leader, Dave Hunter, resigned his leadership last Monday night in order to seek the Liberal nomination in the federal constituency of Athabasca.

## HERCULES "H" NEWSPAPER BINGO LAUNCHED!

businesses and also from any member of the Ladies Auxiliary. (Somewhere in this issue you will see the names of the stores where you can buy as many Bingo cards as you want. Remember, you need the letter "H" to win - down each side and across the middle.

## From Our Readers

Dear St. Albert Citizens,  
We would like your help. We are best able to serve you if we can co-ordinate our efforts in life safety and fire fighting, with your attention to preventing fires. We deplore the high loss of life from fire that occurred in Alberta in 1964. We regret that many people have died by fire just because they were not aware of the power of fire and the speed that accompanies the ignition of certain combustible materials.

We now offer our experience and knowledge to all who will seek new ways and means to prevent fire in their homes, stores, institutions, factories — in fact to all persons who live and work in this community, or come to this community for their physical, recreational, or spiritual needs.

Already in 1965, according to information we have from the Provincial Fire Commissioner, there are fire deaths resulting from the same recurring causes. These are things that kill people most frequently in order of importance:

1. Ignition of flammable liquids and ignition of clothing, trapping occupants in buildings.
2. Heating equipment failure.
3. Careless smoking.
4. Material falling on stoves.
5. Children playing with matches.

We feel we owe it to you to warn against these five dangers. We know that certain precautions and necessary action will stay these fire tragedies. We would ask that you consider these needs.

1. It is necessary to keep gasoline and other flammable liquids out of the home.
2. It is necessary for parents to constantly attend very young children.
3. It is necessary to keep heating equipment in good repair and never to use fuel for which heating equipment is not designed.

4. It is necessary for parents and all persons to study and consider means to eliminate FIRE HAZARDS in the home, in places of business, and in community public buildings.

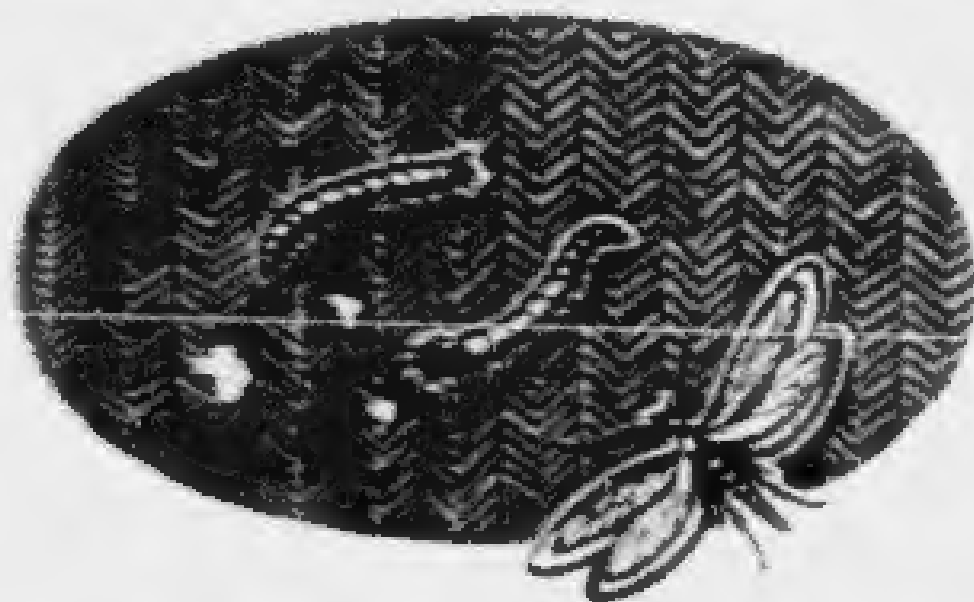

5. It is necessary to plan and to practice emergency fire drills for the home. We are ready day and night to answer a fire call: if fire should strike your home or place of business, but we also know of the misery and loss that accompanies a fire, so we pray that you will not have to call us, and as a result of our joint efforts that our community will do its part to improve the life and property loss in Alberta for 1965.

Yours sincerely,  
V. Tetarenko  
Fire Chief.

Due to happy circumstances, our ladies news editor, Mrs. Perle Vacirca has given up her position on the Gazette. The new ladies news editor will be Mrs. Florence Lefebvre who will start with next week's issue. Florence's phone number is 599-7030. All ladies organizations, clubs, etc., are asked to contact Florence at this number with their ladies news.

We would like to thank Mrs. Perle Vacirca for all she has done for our paper in the past two years. She was the creator of the ladies page which has grown to be a most important informative part for the ladies in St. Albert. We wish her all the best for the future. Baptism - Became a Child of God: Jean, son of Mr. & Mrs. Romeo Ethier. Mr. & Mrs. André Picard, Godparents. The 28th of March, the Sunday which the Parish chose to show their appreciation to Sister St. Joseph, our organist for 45 years, turned out to be a lovely spring day. Father Chevrier expressed gratitude to her at the morning mass which was celebrated in her honor. In the afternoon Parishioners and friends came from far and near to personally thank her for the many years of devotion and kindnesses she had rendered throughout her active life amongst us. Ladies of the Catholic Women's League graciously served tea and lunch, convened by Mrs. Monville, while several groups sang familiar songs of long ago, with Mrs. Kennedy at the piano. Our thanks to all who came, the organizers and all who took part.

Friday evening at 6 p.m., a Pot Luck Supper was served by the members of the P.S. of this Parish. The guests who

came were served a varied menu donated for the event, while talented performers entertained them during the evening. These young people are certainly deserving of praise and encouragement for their efforts since they were offering their profits to their missionary funds. Reverend Father Tardif, O.M.I., was the speaker at the Forty Hours Devotion, beginning on First Friday and ending Sunday. These devotions precede Passion Sunday, next Sunday being Palm Sunday, the beginning of Holy Week.

## UNITED CHURCH

At the Morning Service Rev. Dr. Schwarz served the regular monthly communion. Using St. Luke's record of Jesus' trial as his Scripture, Dr. Schwarz preached on the theme of "Jesus, Judged".

At the 7:30 evening service, the Choir led by Mr. G. Crowdis, presented a 4 part musical program. In 1961, the F.B.I. reported that crime was on the increase 4 times that of proportionate population increase. In accordance with this it was mentioned that a man was murdered every hour, rape committed every 37 minutes, robbery every 4 minutes, and burglary every 6 seconds. That same year statistics showed that there were 10 million automobiles in America, and that 200 million was spent on liquor in America. The divorce rate showed that 1 out of 3 marriages ended in divorce in the United States, 1 person out of 14 in America spends the time in an insane asylum.
